SUMMARY

I am a seasoned professional with 19 years of experience in successfully implementing SAP projects and leading cross-functional teams globally. My expertise lies in mobilizing teams, optimizing resources, and aligning projects with digital initiatives.

I bring a proven track record in leading developing and optimizing SAP solutions on the S/4 HANA platform. My expertise in ERP systems and ability to lead successful project implementations have significantly improved business processes and efficiency. Recognized for my strategic approach and technical programming skills, I am eager to contribute to new and transformative projects.
